

# DRINKS MENU

*Seaside*

Dear Guest,  
Below you'll find the order of Seaside's drinks menu

On behalf of the bar, we're happy to guide you through any specific requests you may have. Of course, we craft most of the classic cocktails, but unfortunately, we ran out of space to list them all.

We've carefully selected five cocktails in each category: House, Classic, and Non-Alcoholic. Each drink comes with a personal description, sharing our unique take and what makes it special to us. For some of the drinks, one definitely won't be enough, which is why we make it in a pitcher as well – look for the pitcher icon.

We hope you enjoy this experience as much as we've enjoyed creating it for you.

# HOUSE COCKTAILS

## AFTER DARK PARADOX 120,-

CHOCOLATE • TEQUILA • AMARO • ESPRESSO • CINNAMON

For those who've sworn off tequila after a rough night and a brutal hangover – but can't resist an espresso martini. This cocktail combines the bold kick of tequila with the smooth, energizing espresso, combining everything you love and hate.

## ASIAN AMOUR 115,-

PEYCHARD BITTERS • CITRUS VODKA • ELDERFLOWER • LIME • LITCHEE

A cocktail made with love, featuring our homemade citrus vodka infused with fresh zests. The Asian lychee and Danish elderflower create a rose color, perfect for Valentine's Day, while a hint of rhubarb adds a loving twist - struck by amour, this drink will steal your heart.

## CARNIVAL AT SEA 115,-

APRICOT • GIN • DARK RUM • ORANGE • LIME • ORGEAT

Just like the playful costumes and vibrant colors of Danish carnival 'Fastelavn', the apricot dances with the gin and dark rum, while the orange and lime bring a zesty wave to this lively cocktail. Together, they capture the colorful costumes and energy of carnival, all at Seaside.

## GOLDEN HOUR 115,-

LIGHT RUM • APEROL • LIME • PINK GRAPEFRUIT

Longing for warmth and those endless golden evenings? This cocktail will transport you there. Aperol, the ultimate summer spirit, meets grapefruit at its juicy winter peak in January. Paired with light rum, it's a sip of summer, even in the heart of winter.

## MIFFE'S WINTER SPARKLE 110,

HOMEMADE SPICED WINTER LIQUEUR • SPARKLING WINE

Originally inspired by a classic Danish white gløgg, this creation blends homemade liqueur infused with apple, orange, lime, ginger, thyme, cinnamon, cardamom, white wine, elderflower, and gin. And since we're bubble believers, just like Miffe, we top it off with sparkling wine.

# CLASSIC COCKTAILS

## BRAMBLE 115,-/495,-

BLACKBERRY • GIN • LIME

Bramble thorns by the Seaside's grace,  
Gin and berries in perfect place,  
A sip of wild, with ocean's trace.

## COSMOPOLITAN 115,-

VODKA • COINTREAU • CRANBERRY

The Cosmo is back, riding the wave of Y2K nostalgia. Girls in baggy jeans and crop tops once sipped this pink classic, made famous by Sex and the City. Now, as the era of Y2K revival returns, the Cosmo does too – stylish and daring, just like the good old days.

## MOSCOW MULE 115,-/495,-

AROMATIC BITTERS • VODKA • LIME • GINGER BEER

Though it may be one of the first cocktails you love as a teenager, the Moscow Mule is truly underrated. When you've had too many Dark and Stormys with dark rum, the Moscow Mule, with vodka instead, hits the spot. It's perfectly fine to enjoy, even as a grown-up.

## NEGRONI 125,-

GIN • VERMOUTH ROSSO • CAMPARI

A timeless classic that separates the waters – loved by some, feared by others. Be aware; once you've learned to drink it, you'll never go back. It may be controversial to stir it and garnish with an orange slice instead of a zest, but we've been told it's the original Italian way.

## RED PASSION 115,-/495,-

RASPBERRY • VODKA • COINTREAU • GRAPEFRUIT • PASSION FRUIT

Once a house cocktail, now a classic – our best-seller since our opening in 2021. A mix of raspberry purée, vodka, Cointreau, lime, pink grapefruit soda, and fresh passion fruit. With a cocktail this good, we dare to call it a classic.

# NON-ALCOHOLIC COCKTAILS

## APPLE DOESN'T FALL FAR 85,-/345,-

APPLE JUICE • GINGER BEER • HAZELNUT

Just like the saying goes, "the apple doesn't fall far from the tree," this drink takes the best-seller among the kids – apple juice – and adds a seasonal twist with ginger beer and hazelnut syrup, making it perfect for all ages.

## CONTROVERSIAL CRUSH 85,-/345,-

ELDERFLOWER • PINK GRAPEFRUIT • PASSION FRUIT

A drink that sparks debate! Only for the looks, because we promise it will be a crowd pleaser. Don't worry – it's perfectly acceptable for all genders to order. Elderflower, pink grapefruit, and passion fruit – this mocktail breaks all the rules and still wins everyone over.

## GIN SOUR & SOBER 95,-

EGG WHITES • ALCOHOL FREE GIN • LIME

For those who want to play it cool and enjoy the best of the cocktail experience, minus the aftermath. Made with alcohol-free gin, lemon juice, simple syrup, and a touch of egg white. Sit back, relax, and watch the rest of the world run wild. Cheers to being cool and sober!

## ESPRESSO MARTINI 95,-

ICED ESPRESSO • VANILLA

The classic Espresso Martini, same classy vibe, but no booze – but same caffeine magic! Don't worry, you'll still have trouble sleeping if you drink too many. A delicious mix of coffee and a hint of vanilla. It's the perfect way to keep your energy high and your night even higher.

## SPICY HEATWAVE 85,-/345,-

TABASCO • GINGER • LEMONGRASS • LIME • AGAVE SYRUP

You might not have a heatwave in the weather, but this will bring it to your mouth! A fiery blend of ginger, lemongrass, Tabasco, lime, agave syrup, and a salted rim that packs a punch. No alcohol, just pure, bold heat for those who love a little kick!
